

## June Meeting Minutes:

It was voted that Brian Smith will begin construction of 20x20 garage with manual door, siding, down spouts, 5in of concrete w/stoop by the door., 8ft ceilings for \$10,600. It will take approx week & 1/2 to construct. Brian needs letter from Duke Energy giving permission to construct (Elley to get for him) and Brian is insured & has workers comp coverage.

Website - no new reports.

Treasurer's Report - We had less registered for Spring 2008 than in 2007, concession made \$. Budget set for Fall.

DR's Report - No new players after 8/28 per CCSA. Need coaches risk management forms. Look into NRSA having coaches meeting on 8/16 at Boys & Girls Club. Need to email Tracy Coffie our camp dates. CCSA was okay w/NR playing dribs at home and Felicity wants to join us. All coaches must carry w/them at all times any dr's notes for casts - you no longer have to have Tim Hart to approve it. It was voted at CCSA meeting to change the coin toss - if you win the coin toss you can decide if you want kick off or not. No HS kids can play rec soccer. It was asked that DR clarify this - can Highschool kids play Spring session???

Secr Report - Fundraiser will be buddy cards again. Goal is to sell 2 cards per kid - the profit goes to paying the trainer.

Ref Coordinator - Aug 22 is 1/2nd yr class (from 8am-2pm), Aug 23 is 3rd yr & up class.. You must be 12 or older to ref.

Pres/V.Pres Report - Registration is going well, although #'s look low, Crissy & Brian to contact the non-registered players.

New Business - Tom Belmont needs help with laying out fields, he needs to have someone else do this, he'll help show us how. Larry Bateman graciously volunteered to do this - thanks to his wife.

Larry Bateman is not coaching this year.

Next meeting July 7 @ 6:00, Front St. Cafe
